

## **Minutes of August 22, 2006**

### **Speech Arts**

District drama has been changed - From Nov 11 to the 18th.

The tentative date for district speech is March 22. I have not heard back from Tamera on it.

At the meeting we discussed the dates for district and state speech, drama and debate. The need to change the date for district drama.

We discussed the shows the drama teachers will be presenting this school year.

We discussed ISATA and why it is important to attend. We also nominated individuals for the awards and offices voted on at ISATA.

### **Athletics**

#### Girls and Boys Coaches

- Reminded them of all the state awards that were available and encouraged them to nominate candidates for those awards.
- Went over information on membership to ISCA. Gave a letter to each school's AD outlining the benefits and payment information.
- Encouraged anyone who wants to change the way classifications are made to have the new proposal to the IHSAA meeting by September 25th.
- Asked them to check out the District Handbook online and to give us any changes that need to be made.
- Handed out attendance sheets to sign

#### Girls Coaches Meeting

Held elections for Girl's Coaches President. Launa Moser was the only nominee and was elected for a 3<sup>rd</sup> three year term.

Coaches were divided into their sport to meet about any concerns they may have.

### **Dance/Drill**

The Dance/Drill Team and cheerleaders met together but there were some things that the dance did discuss without the cheer.

There will be no solo's at the district competition as due to time with adding the cheerleaders.

District for the dance will start at 11:30 and hopefully end around 5:00 p.m.

Talked about State being held at the Idaho Center and for all to get involved in ICDC as a association member.

District will be held at Pocatello High and I will be getting all the coaches in committee's for the competition especially to help with judges.
